CURRENT STATUS

#5 GLOBAL, #5 EMEA, #2 LATAM, #2 RUSSIA, #1 MEXICO

55Mu 2013. +33% yoy. 20M SP
17.5Mu Q4-13. +60% yoy. 7.5M SP

TCL Communication contribution in 5GPPP

Approach

Terminal demonstrator / simulator as a key enabler for System end to end demonstration, performances evaluation, and user behavior simulation

Partners

Platform: Qualcomm, Mediatek

Infrastructure: Alcatel Lucent

Operators: more than 1000 worldwide, including Orange, Vodafone, AT&T, China Mobile...

Applications: Facebook, Tencent, ...

Resources

50 p. in Europe, dedicated to 5G

20 p. in US

3000 p. in China

Capabilities

Platforms integration (OS, Chipsets), UI and Applications development & integration, Products test, qualification, manufacturing, ...

Expertise

Terminal Architecture, Design to Cost, Design to Manufacturing, Performances optimization, Battery saving techniques implementation, multiple technologies integration (RF, antenna system, multimedia, UI, connectivity,...)
