

# ***Next Generation Public Safety Communications***

## ***(B)Roadmap to BROADNET – Does 5G have a place ?***

**Dr David Lund**

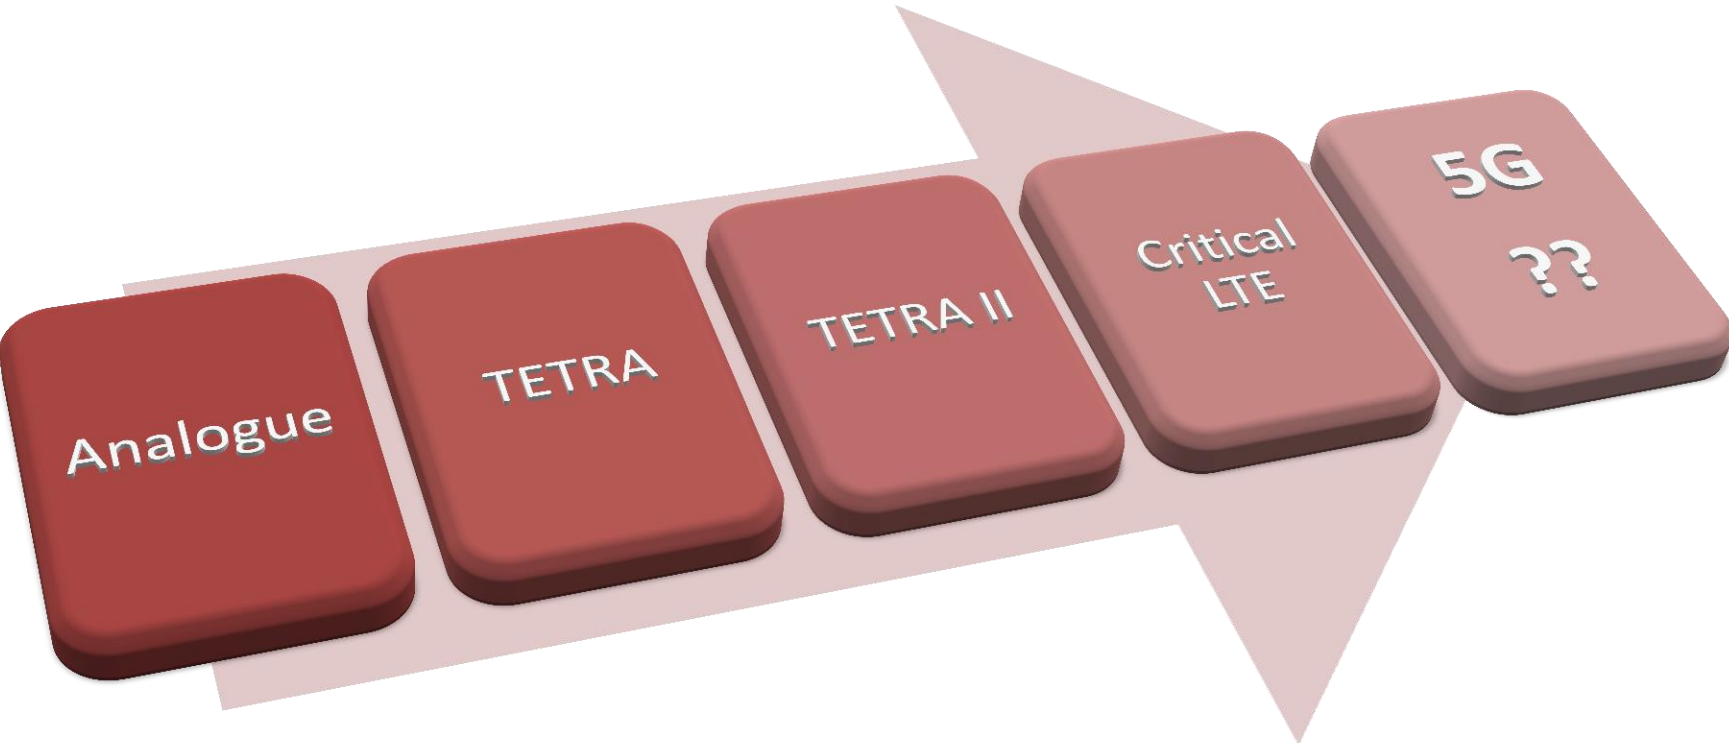

**President, Public Safety Communication Europe (PSCE) Forum**

**[www.psc-europe.eu](http://www.psc-europe.eu)**

**Head of Research & Development, HW Communications**

**[www.hwcomms.com](http://www.hwcomms.com)**

# Critical Communications Business Case

- Automotive – Emergency Vehicles
- eHealth – Emergency Management /
- High Density Environments – Lots of hurt people
  
- Trustworthy Interoperability
  - Leverage outcomes from many ‘Secure Societies’ projects
  
- What about a smart city ???

*Thanks for Listening*
