**5G PPP Phase 2 Stakeholders' Event
17 March 2016, Bologna**

What InterInnov Brings To A 5G PPP Phase 2 Project

CONNECT

Identify and engage the most relevant stakeholders

DRIVE

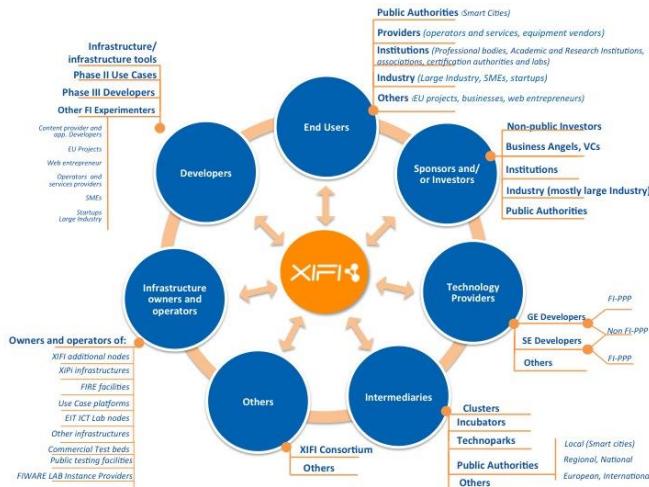

We are a fully committed partner, we lead work packages and tasks

COMMUNICATE

We build the PR material (brochures, flyers, videos, etc.), we organise events and workshops, training sessions...

CONNECT

Community Building,
Stakeholders' Engagement

DRIVE

We also want to bring to the 5G PPP Call 2 a few “trusted partners” with specific added value in the various domains addressed and in some vertical sectors

COMMUNICATE

Brochures, Flyers, Videos...

This brochure page features the 5G PPP logo and the European Commission flag. It highlights "5G VERTICAL SECTORS" represented by hexagonal icons for wind energy, healthcare, manufacturing, logistics, and transportation. Text on the right discusses how 5G will enable intelligent automation platforms and new business value propositions.
