

# 5G PPP Call 2 “Trusted Partnership”

5G PPP Phase 2 Info Day and Stakeholders Event  
30<sup>th</sup> June, 2016, Warsaw

# What InterInnov Brings To A 5G PPP Phase 2 Project

**CONNECT**  
Identify and engage the most relevant stakeholders

**DRIVE**  
We are a fully committed partner, we lead work packages and tasks

**COMMUNICATE**  
We build the PR material (brochures, flyers, videos, etc.), we organise events and workshops, training sessions...

**COMMUNICATE**  
Brochures, Flyers, Videos...

**CONNECT**  
Community Building, Stakeholders' Engagement

**DRIVE**

**5G empowering vertical industries**

**5G VERTICAL SECTORS**

With 5G, networks will be transformed into intelligent orchestration platforms.

By converging strong relationships between end-users, operators and verticals, 5G will open the door to new business value propositions.

Use-cases originating from verticals should be considered on a basis of 5G requirements from the onset with high priority and covered in the early phases of the standardisation process.

# What is the “Trusted Partnership”?

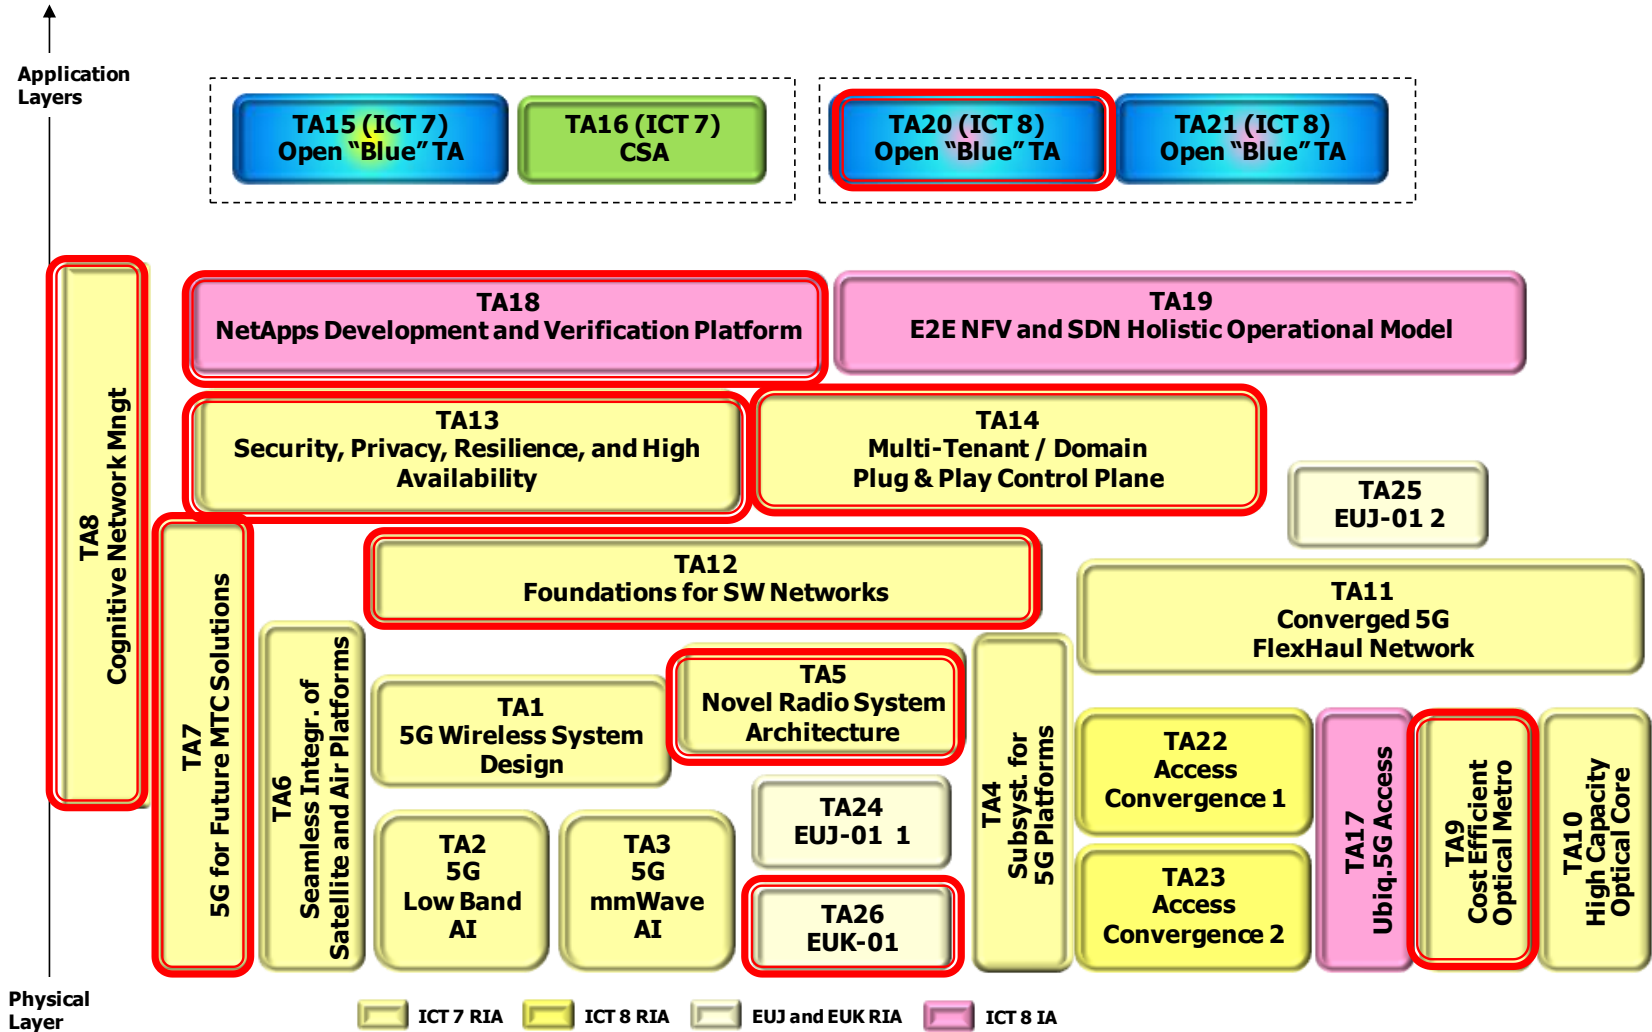

- ▶ A set of “**trusted partners**” gathered around InterInnov
- ▶ Providing **complementary expertise** in service and technology and in several vertical sectors

- ▶ InterInnov
- ▶ 5 SMEs
- ▶ 1 Industry
- ▶ All interested in being part of a trusted combined offer to 5G PPP Call 2 projects / consortia

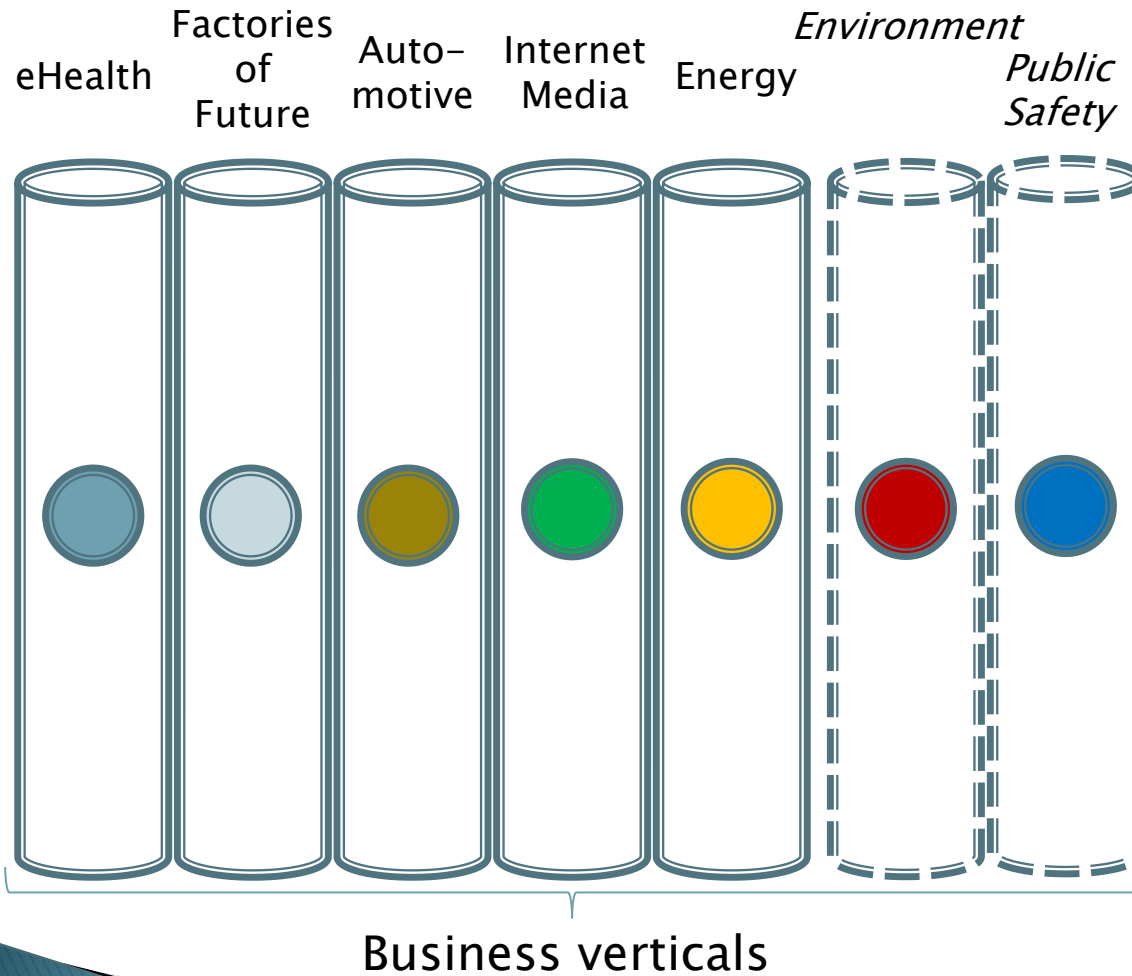

We offer together an *extended, flexible and modular set of services and technological expertise*

# InterInnov's "Trusted Partners": what they can bring to 5G PPP projects (1 / 2)

Note: The size and the orientation of the TAs boxes do not indicate the potential size or manpower of future Projects

# InterInnov's "Trusted Partners": what they can bring to 5G PPP projects (2/2)

Other services provided:

- Support to Project Management & Coordination
- Web site & Social Channels
- Expertise in Impact & Exploitation and in Ethics/Responsible R&I

*All complementary to InterInnov's activities i.e. Connect, Drive, Communicate*

# How does the “Trusted Partnership” work?

## YOU EXPRESS YOUR NEEDS

*Tell us what you need, or identify skills of interest for your project in our offer*

## WE PRESENT A MODULAR OFFER

*We present a relevant offer of skills and expertise with 1, 2, 3... trusted partner(s)*

## YOU HAVE FULL FLEXIBILITY

*You pick the “trusted partners” you want/need for your project*

**Benefit for you:** an extended offer with one interlocutor instead of several to start with –but still a fully flexible and modular offer  
**Benefit for us:** we expand our own offer and hope to work together in some projects as we trust each other

*This is a totally new concept –do not hesitate to interact with us and provide feedback and comments on how we can better adapt to your needs!*
