# Reminder: Main Objectives of the SME Working Group

## Find partners

to engage into collaborative R&D proposals/projects

## Join a consortium

## Network

with other (new) SMEs

## Increase visibility

of SMEs toward large companies (Industry) and (to a lesser extent) to large research institutions (Research)

**Help newcomers** understand how to participate in H2020 projects

**Share best practices** among SMEs

**Influence next Work Programmes** and more generally emphasize SME participation (e.g. in 5G PPP Calls 2 and 3)

Contribute to Strategic Research & Innovation Agenda and White Papers / Position Papers

- **110 members** (72 SMEs, 11 industry, 27 academia)
- A simple view of the competence and skills of SMEs in the 5G domain is now available on the NetWorld2020 web site
  - <http://www.networld2020.eu/find-the-sme-you-need/>
- The objective is to reach more than 20% SME participation in the 5G PPP Call 2 –this has been repeated at the previous 5G PPP Phase 2 Stakeholders Events in Brussels, Bologna and Warsaw
  - Call 1: around 17% of SME participation Several telcos of the Working Group, some F2F discussions at ICT2015 and at the previous 5G PPP Info Days
- Three SME WG NewsLetters distributed and available on line at <http://networld2020.eu/sme-support/>

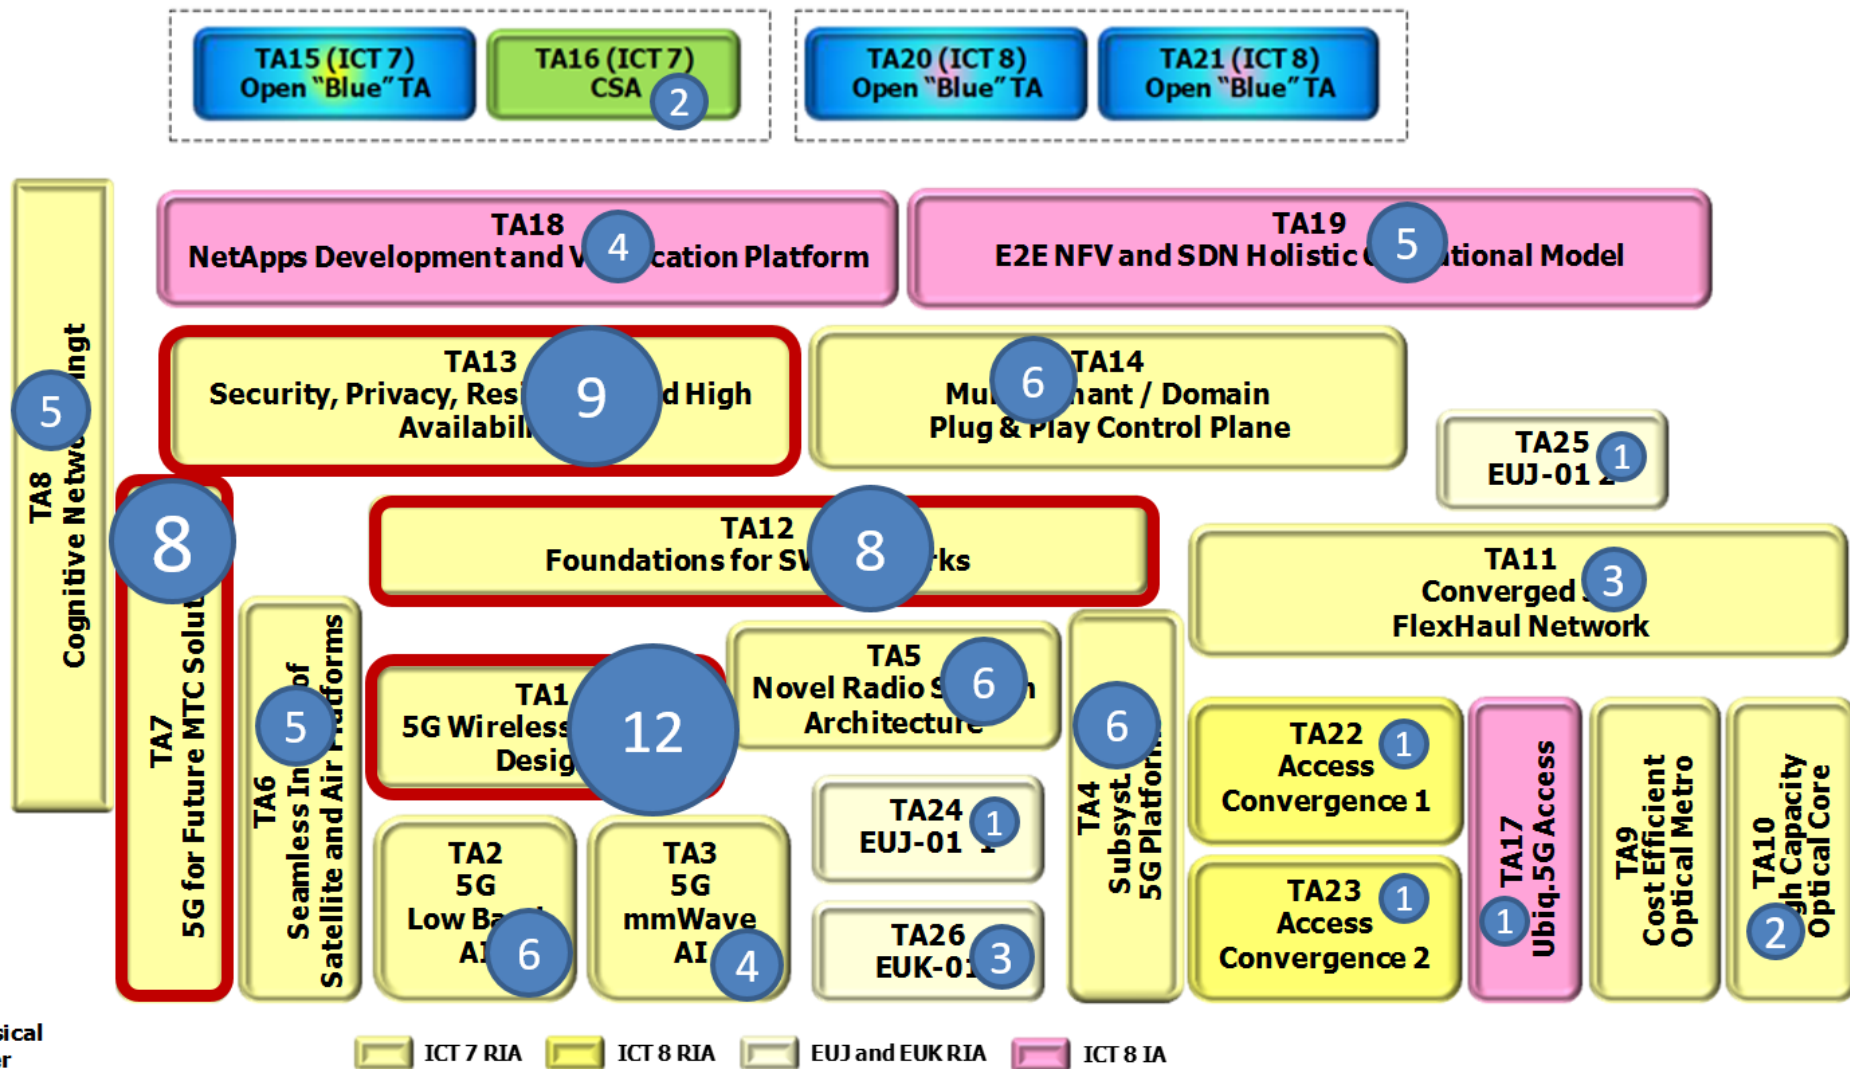

# SMEs in 5G PPP Phase 2: Status

- Increase the visibility of SMEs, in particular in light of the preparation of the 5G PPP Call 2
  - **Cartography/mapping of 5G related SMEs published on the NetWorld2020 web site; advertisement via social channels and other means in progress**
    - 37 SMEs responded i.e. 40% of the SMEs represented in the SME WG
    - Phase 2 pre-structuring model (finalised) + Vertical sectors (finalised)
    - “5G value chain” (draft)
  - **Promote the use of the 5G PPP online brokerage service**  
<https://5g-ppp.eu/brokerage-platform-new/>
  - Strengthen the contribution of SMEs to the preparation of the Work Programme 2018-2019 –along with NetWorld2020 and the 5G IA
    - Some SME representatives registered in the Expert Group
  - More regular update of the SME web page, success stories, interviews, make SME WG Twitter account more attractive
    - Still to be done

# SMEs in the 5G Value Chain (Draft)

- Complement the cartography/mapping with:
  - A full profile on the 5G PPP “online brokerage service”
  - A mapping in a “5G value chain” (draft)

**The objective is to reach between 20 and 23% SME participation in the 5G PPP Phase 2**

- to balance Phase 1's 17% and reach 20% overall

**IMPORTANT: SMEs may contribute in Use Cases (vertical sectors) and also in Technology (various TAs)**

*Equally important: the SME WG cannot be held responsible for the verification of the information provided by the SMEs and for the quality of their potential contribution. Thank you for your understanding.*
